Present...

International Idol is American Idol meets Rock Star INXS. Contestants will be judged—sometimes harshly—based on technique, presence, audience rapport and that magical quality that makes a great performer. This is not a vocal-quality-only, Karaoke-style competition. We are looking for the best Front person in the Twin Sault Area. Own the song, stage, audience. Do you have what it takes?

Competition starts at 7:00pm on June 7th and contestants compete every Sunday until July 5th when one is crowned as the International Idol. And, yes, there will be challenges, surprises and eliminations along the way.

Contestants have until the second week (Sunday, June 14) to sign up.

Grand Prize: \$500 studio time at Lake Street Studio

Second Prize: \$200 studio time at Lake Street Studio

Third Prize: \$100 studio time at Lake Street Studio
